manufacturer of the finest custom-made aircraft covers

Tech Sheet: McDonnell Douglas KC-10 Extender

(mcdonnell-douglas-KC10.pdf)

DC-10-30 Intake Cover (CF650C2 Engine)

Section 2: Engine Covers

The **McDonnell Douglas KC-10 Extender Intake Covers** are designed to install easily yet be completely storable. A spring steel hoop is sewn into the hem of each cover, allowing them to be installed without climbing onto the wing or using a stepladder. To store the covers the spring steel hoop folds like a band-saw blade into three nesting rings. Each cover folds into a compact circular bundle which is stored in the included duffle bag, yet they unfold quickly for use. The Tri-Fold Ring cover is made of medium weight nylon which is available in a variety of colors to match the paint trim. Each cover set comes complete with installation and folding instructions. The aircraft's registration number can be silkscreened onto the cover for an extra charge.

DC-10-30 Intake Cover (CF650C2 Engine)

McDonnell Douglas KC-10 Intake Cover

Description	Part Number	Price
INTAKE COVERS for 1, 2 & 3 engines (set of 3)	**KC10-100**	**$3095.00**

Section 3: Plugs & Protection

The **Engine Exhaust Plugs** are custom fit for your McDonnell Douglas KC-10 Extender exhaust openings, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Exhaust plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Exhaust plugs may be inserted soon after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.

Description	Part Number	Price
EXHAUST/BYPASS VENT PLUGS SET for 1, 2 & 3 engines (set of 12)	**KC10-110**	**$6390.00**

Section 5: HeatShields & Sun Reflectors

Cockpit Heatshields are interior sunshades for the aircraft's cockpit. The product is a unique composite of closed-cell foam with a silver mylar finish. The semi-rigid design is stiff enough to stand inside the window framing. The set folds up flat and is easily stored in the included storage sleeve. Some designs may require velcro and suction cups. Our Heatshields for jets are offered white side out because some aircraft manufacturers have issued advisories against reflective window inserts due to potential heat damage. A Heatshield is an excellent short-term remedy for cockpit overheating, but an external fabric cover is more effective for long-term protection.

Description	Part Number	Price
COCKPIT HEATSHIELDS (set of 6)	**KC10-900**	**$710.00**

Section 6: Miscellaneous Products

Description	Part Number	Price
NOSE GEAR TIRE COVERS (specify tire size) (set of 2)	**KC10-200**	**$670.00**
